**Ages: (12-30) Jr. High, Sr. High & College/Young Adults**

*“God is not typically accepted in everyday life. In middle school and high school you have to face struggles to keep your faith every day, and sometimes it can be hard to cope with. That’s why you need a safe place, a refuge where you can learn and talk about God. GenArise is just that. It’s a place where youth can come together and learn about God and how to serve him. It’s also a place to have good clean fun, while at the same time learning about your relationship with God. It is a spirit filled place where you can come and be radical about Christ. We are on fire for God and are looking to go out into the community and reach lost people. Satan doesn’t want us to get together and serve God, but that’s what we are doing. We are all about living life for God and serving him to the fullest. We are extending out a hand to those in need and serving God by helping them. We have concerts, barbecues and yard sales to reach out into the community and meet new people. We are teaching strength in God and confidence in him. We are worshiping him in everything we do, in hopes of teaching others to do the same. In short we are a group of people radical about Jesus, sharing our faith with anyone and everyone”.* **R.
